

Dear Parents,

Part of what makes our school so great is the amazing efforts of our parent helpers. Listed below are various volunteer opportunities. There will be many additional opportunities to volunteer for various activities during the school year that will be publicized at the time of the event, but these are a few of our ongoing volunteer needs. Please take some time to consider how you can help during the 2024-2025 school year. Questions? Please contact Parents' Association Secretary Amanda Kelley at amandak1016@gmail.com. Thank you in advance for volunteering your time!

- St. Hilary Parents' Association

SCAN TO SIGN UP!
